Humanitarian Assistance to Ukraine and Ukrainian Refugees

We, Nihon Nohyaku Group, have made a donation through UNICEF for the purpose of providing humanitarian assistance to Ukraine and Ukrainian refugees. We are deeply concerned about the situation in Ukraine, and we hope that peace will be achieved soon.

Our basic philosophy is to contribute to society by ensuring safe and steady food supply and improving the quality of life for all people. In supplying agricultural chemical products that contribute to food production in the region, we will take appropriate measures from the viewpoint of securing a safe and stable food supply.
